What do children in foster care have to do with human trafficking?

- ❖ Children are removed from their homes through no fault of their own
- ❖ They have been either abused, abandoned or neglected
- ❖ They need a place to go
- ❖ Multiple agencies turn away children every week because they have no families available for them

50% of trafficking victims
are minors

70% of these minors are
children in foster
care

How do we abolish human trafficking?

We close the source.

If $\frac{1}{2}$ of 1% of people in Church said, “Yes” there would be no more children in foster care.
